### Relief Therapeutics Announces Executive Leadership Team Changes

**Jack Weinstein, MBA, Appointed as Chief Executive Officer**

**Jeremy Meinen, CPA, Appointed as Chief Financial Officer**

**GENEVA, DEC. 8, 2022** – [RELIEF THERAPEUTICS Holding SA](#) (SIX: [RLF](#), OTCQB: [RLFTF](#), [RLFTY](#)) (“Relief”), a Swiss, commercial-stage biopharmaceutical company identifying, developing and commercializing novel, patent-protected products in select specialty, rare and ultra-rare disease areas on a global basis, today announced the appointments of [Jack Weinstein](#), MBA, to chief executive officer, and [Jeremy Meinen](#), CPA, to chief financial officer, effective immediately.

“I am humbled and honored to accept the increased responsibility as the CEO of Relief and look forward to taking a more active role in defining the Company’s long-term vision and future expansion initiatives,” said Mr. Weinstein. Now that Relief has officially launched its first commercial product, PKU GOLIKE® and settled its litigation with NRx Pharmaceuticals, we will be able to shift our focus to further developing Relief’s strategic direction and planning.”

“Jeremy has proven himself a skillful and capable finance expert since joining Relief,” said Mr. Weinstein. “His contributions to the Company’s financial reporting and resource allocation decisions are expected to be critical to driving our growth forward.”

“I am pleased to take on increasing responsibility at Relief and to help shape the Company’s future direction and create meaningful shareholder value,” said Mr. Meinen.

#### ABOUT RELIEF

Relief is a Swiss, commercial-stage, biopharmaceutical company focused on identification, development and commercialization of novel, patent protected products intended for the treatment of rare and ultra-rare diseases including metabolic disorders, pulmonary diseases, and connective tissue disorders. Relief’s diversified pipeline consists of assets that have the potential to effectively address significant unmet medical needs, including PKU GOLIKE®, engineered with the proprietary Physiomimic technology, which is the first prolonged-release amino acid product commercialized for the dietary management of phenylketonuria (“PKU”). Relief has a Collaboration and License Agreement with Acer Therapeutics for the worldwide development and commercialization of ACER-001 (sodium phenylbutyrate) for the treatment of various inborn errors of metabolism, including Urea Cycle Disorders (“UCDs”) and Maple Syrup Urine Disease (“MSUD”). Relief also continues to develop aviptadil for several rare pulmonary indications. Further, Relief is in clinical development for APR-TD011, a differentiated acid oxidizing solution of hypochlorous acid intended for the treatment of epidermolysis bullosa (“EB”), a group of rare, genetic, life-threatening connective tissue disorders; APR-TD011 has been granted Orphan Drug Designation by the FDA. Finally, Relief is commercializing several legacy products via licensing and distribution partners.

RELIEF THERAPEUTICS Holding SA is listed on the SIX Swiss Exchange under the symbol RLF and quoted in the U.S. on OTCQB under the symbols RLTF and RLFTY.
